- All sizes!
- Maximum windshield contact.
- Ceramic coating compound increases energy savings.
- Silicone-ceramic compound provides long-term protection in extreme weather conditions.
- Easy connection technology.

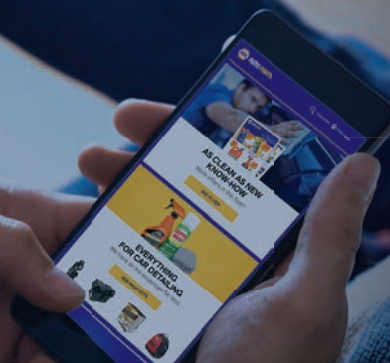

- Teflon surface protector for enhanced durability.
- Aerodynamic profile reduces wind lift at higher speeds and ensures quiet operation.

NAPA'S MERCHANDISING POLICY. Offers valid from September 1st to September 30th, 2025, inclusively, at participating NAPA Auto Parts stores. All offers available while supplies last. Parts may not be as illustrated. Best efforts have been made to ensure all information is accurate. Prices are subject to change without notice, including but not limited to changes resulting from tariffs or other external factors. All taxes are extra. We reserve the right to limit quantities. Prices shown in the September 2025 retail flyer are the promotional prices and have already been discounted by the percentage amount displayed. Promotions in this flyer cannot be combined with any other offers. CAA members presenting their valid CAA card will get an additional 10% discount on identified products as part of the CAA Rewards™ Program.
